## Objektbeschreibung

This modern new-build residential development consists of a total of 92 housing units, distributed across 23 two-storey buildings. The project is generously planned and blends harmoniously into a green and quiet surrounding environment.

The apartments impress with a well-thought-out, practical layout designed for everyday living, offering a comfortable living experience with plenty of light, space, and privacy. Each unit comes with its own private garden area, providing additional outdoor space – ideal for relaxing, playing, or enjoying peaceful moments outside.

For added convenience, each apartment is assigned a dedicated parking space, ensuring easy and hassle-free parking directly at the residence.

The entire project is being developed in accordance with the modern KfW 40 QNG+ standard, meeting the highest requirements for energy efficiency and sustainability. This ensures a pleasant indoor climate and contemporary living comfort combined with low energy consumption.

Overall, the development creates a quiet, family-friendly residential environment that combines modern living with a close connection to nature – ideal for those who value comfort, green spaces, and a relaxed living atmosphere.

Veranschaulichung der Wohnungen oft auch Bilder einer exemplarischen Wohnung abgebildet sind. Änderungen jeglicher Art bleiben vorbehalten. Sämtliche Angaben in Text und Bild dienen ausschließlich der Vorabinformation und stellen weder ein vertragliches Angebot noch die Zusicherung von Eigenschaften dar.

## Lage

The new-build apartments are located in a quiet and well-established residential area in Zossen. The surroundings are characterised by detached houses, plenty of greenery, and a pleasant, family-friendly neighbourhood combined with excellent infrastructure.

A particular advantage of the location is the outstanding local amenities: a Netto supermarket is located directly opposite the property, while a kindergarten is within less than 100 metres and easily reachable on foot – ideal for everyday convenience.

Zossen lies only around 20–30 km south of Berlin's city limits, offering an excellent combination of peaceful, nature-oriented living and convenient access to the capital. Commuters benefit from the proximity to the B96 federal road and the A13 motorway, ensuring quick connections to Berlin and Berlin Brandenburg Airport (BER).

Thanks to the improved rail connection introduced in 2025 (including an additional loop in regional transport services), public transport accessibility has been further enhanced. As a result, Berlin Brandenburg Airport (BER) can now be reached from Zossen in approximately 40 minutes, making the location particularly attractive for commuters and frequent travellers.

In the wider area, residents will also find schools, doctors, pharmacies, and additional shopping facilities, ensuring a well-developed and convenient infrastructure.

The idyllic surroundings, with numerous green spaces and lakes, offer a high recreational value and invite residents to enjoy walks, sports activities, or simply unwind after a busy workday.

**Infrastruktur:**

Apotheke, Lebensmittel-Discount, Allgemeinmediziner, Kindergarten, Grundschule, Gesamtschule, Öffentliche Verkehrsmittel
